

Curio Cabinet Policy

The Curio Cabinet is managed by a committee established by the LRF Art League. The cabinet has two keys held by 2 of the 3 committee members.

LakeRidge Falls residents may show art that they have themselves created or that they have collected. Residents seeking information about the exhibit should contact the exhibitor directly.

The exhibit in the Curio Cabinet will be changed at approximately the same time as the exhibit in the Activities Room. The exhibit in the Cabinet does not have to correlate to the exhibit hanging in the Activities Room.

Residents desiring to exhibit their art/collections will complete a Submission Form that is kept in an envelope on the bulletin board. The Form will be submitted to Community Assistant, Paula Murray. Submission of the Form is no guarantee the art/collection will be exhibited in the Curio Cabinet, or of the dates it will be shown. All submissions will be reviewed by the Committee. Some issues to be considered are value, size, and subject matter.

The Cabinet may be filled with one collection or it may contain works of more than one depending on the number of items and subject matter.

The exhibit will be set up in coordination with the Committee at a convenient time to both – preferably when there is little or no activity in the clubhouse. A photograph of the exhibit will be placed in the file with the Submission Form.

Release from Liability: Neither the LakeRidge Falls Board of Directors, LakeRidge Falls HOA, nor the Art League will be responsible for any theft or damage related to items exhibited in the cabinet or the cabinet itself. Any insurance required will be obtained by the exhibitor.

Committee Members: Alice Dorn, Jackie Hathaway, Sandie Nuwaysir

See next page for Curio Cabinet Submission Form.
