

## **INITIAL REOPENING PLAN FOR THE LAKERIDGE FALLS ASSOCIATION FITNESS CENTER WITHIN THE CLUBHOUSE DURING COVID-19**

All residents prior to any events or participation understand that we strongly encourage you to review the Federal, State and Local. You agree to participate at your own risk and to follow the COVID-19 guidelines established within the LRF facility.

All open Association meetings will now be in the Grand Salon, to allow for more participants while maintaining social distances. Association business meetings will continue to also utilize GoToMeeting for participants not able to physically attend, either due to space limitations (especially for Board meetings) or for health or location reasons.

Those wishing to reserve any of the rooms in the Clubhouse other than for Association business should contact the Office Staff by phone or email to check availability; business meetings have priority.

1. We will limit the number of people in the Grand Salon at one time to 30 in order to comply with social distancing requirements. Closed circuit cameras will be on as usual and we encourage residents to remind others if they are over-capacity. The Multi-Purpose Room will be limited to a maximum of 14 people at a time, the Activities Room to a maximum of 14 people, and the Club Room in the Annex to a maximum of four (4) people.
2. Users should maintain the recommended social distancing of 6 feet from others at all times.
  - a. Seating is limited to four (4) chairs at the large round tables and two (2) at the smaller square tables.
3. A face mask or other face covering is required.
4. Everyone must use hand-sanitizing gel at front entry or their own upon arrival.
5. Everyone must wipe down all contact parts of tables and chairs before and after each use as well as anything else they touch, such as pool cues or computer keyboards.
6. If supplies become low, please notify the office staff via email or phone – please do not go to the offices unless you have made an appointment.
7. No food allowed, and the kitchen is not available at this time.
8. Water fountains are out of order; bring your water bottles with lids.
9. Restrooms are available.
10. Continue to put library materials in the basket in front of the clubhouse for quarantine.

The responsibility of safely using the facilities is on every user. Please **DO NOT** use the facilities if you are having any symptoms of COVID or have had exposure to anyone with COVID to ensure the safety of everyone.
