### Don't Miss the Documents Workshop! Saturday, January 16th at 10:00am

The Documents Committee is having a Workshop on **Saturday, January 16th at 10:00am** to review the document items that were sent to you in the 2nd Notice of our Annual Meeting with important changes for your vote! This is your opportunity to ask for clarification and get answers to any questions you may have. Watch for the Virtual Invitation coming soon.

**These changes are long overdue and  
WE NEED YOU TO VOTE!**

**\*\* Due to CDC requirements for COVID-19, we ask all attending at the LRF Clubhouse to: Wear a mask, Practice social distancing, and Utilize sanitizer wipes or hand sanitizing gel.**

Thank you on behalf of the Documents Group.  
*Mary Cochran*

It is that time of year again!  
You can sign-up for one of the 2021 Committees on our website using the [FORMS](#) page or by using the binder on the table outside of the front of the Clubhouse.
