

LakeRidge Falls Community Association

Landscape Committee

Mission Statement

04/2023

The mission of the Landscape Committee is to assist the Board of Directors in establishing a communitywide, high-level standard for the maintenance and appearance of our grounds. In addition, the Committee will help identify opportunities for landscaping enhancement, as well as providing suggestions to maximize the performance and services of the landscaping contractor(s).

Actions

- Review and update Long-Term Landscape Plan,
- Review and update annual landscape budget suggestions for submission to the LRF Board,
- Review planting, maintenance, and upkeep in common areas,
- Providing suggestions for maximizing the performance and services of the Landscape Management Company.
- Selection of planting of annual beds.
