A Message from Your Board...Thinking Ahead, Working Together

Rod Hayden, President

I am pleased to announce that the Board of Directors has formally approved the Initial Electronic Voting Implementation Procedure for LakeRidge Falls Community Association. This decision marks an important step forward in modernizing how we conduct membership votes while ensuring every owner remains fully informed and able to participate in the manner that best suits them. As outlined in the detailed report I prepared for the Association, electronic voting will be introduced through GetQuorum in carefully planned stages over three years. This measured approach allows both owners and the Association to become thoroughly familiar with the system before it is used for more significant decisions.

In Year 1, electronic voting will be limited to appropriate membership votes on Association matters other than Board elections. This initial phase will give owners the opportunity to experience the process, ask questions, and grow comfortable with the technology. At the same time, the Association will gain valuable experience in administering electronic votes, refining communications, and addressing any practical issues that arise. **In Year 2**, electronic voting will be integrated with our current system specifically for the election of the Board of Directors held during the annual membership meeting. By then, both owners and management will have the benefit of a full year of practical experience. **In Year 3**, electronic voting will become a fully available option for all appropriate membership votes. Throughout this phased implementation, participation remains completely voluntary. Owners who prefer traditional methods may continue to vote by any means permitted under Florida law and our Governing Documents. GetQuorum will assist the Association in obtaining and maintaining owner consent, and all electronic and non-electronic votes will be carefully reconciled to prevent duplicates. Complete records will remain available for membership inspection in accordance with Association policies and Florida Statutes.

On another matter, copies of the 2027 Proposed Budget have been posted on the Association portal for your review. The Budget Committee has concluded its two months of hard work, and I invite all members to attend the Board meeting on November 13, when the proposed budget will be formally considered and potentially approved. Your presence and input are always welcome and valued. This will be a good time to express my sincere appreciation to the members of the Budget Committee—Mr. Steve Bauer, Mrs. Nancy Blair, Mr. David Cowett, Mrs. Alice Dorn, Mr. Dick Dorn, Mr. Bill Feeley, Mr. Ed Grood, Ms. Mitch Matte, Mrs. John Sullivan, Mrs. Suzi Weinstein, and Mr. Lanny Weintraub—as well as to my colleague Mr. Jerry Brantley, the Association Treasurer. These dedicated volunteers devoted countless hours to preparing a proposed budget that thoughtfully addresses the needs of our community.

Looking further ahead, the first notice of the annual election for the Board of Directors will be distributed in December. Serving on the Board is a meaningful way to contribute to the continued success and well-being of our community. I encourage any owner who is interested in helping shape the future of Lakeridge Falls to give careful consideration to running for a seat. Together, through thoughtful planning and active participation, we continue to strengthen LakeRidge Falls for the benefit of all owners.

COMMUNITY MANAGER REPORT - ODED NEEMAN

SUPER SIMPLE GUIDE: NEW WAY TO PAY YOUR LAKERIDGE FALLS DUES - Most of you should have received the Centennial Bank letter regarding the bank upgrading its system. But wait a second: if the letter is to notify homeowners that the system the bank is working with is being upgraded, why is the letter so confusing?

Similar to Terry Bradshaw's joke about how he couldn't spell the word "cat" if you gave him the letters C and A, Centennial Bank also managed somehow to spell the word "cat" with seven mistakes. In simple terms, they conveyed a simple message with extreme complexity.

Here is a way to untangle this complexity. Starting October 23, 2026, the bank that processes your payments is upgrading its system. Simple. But before we go over how these three simple changes will impact you, please take a moment to go over what the **CURRENT** four options are for homeowners to pay their quarterly dues:

***Coupon Payment Booklet*.** A payment booklet that is sent in the mail containing 4 payment stubs and 4 envelopes.

***Automatic Debit Service*.** A form in which members authorize Centennial Bank to automatically debit their accounts.

***Online Payment*.** Members can pay their dues via Centennial Bank's website, which includes a fee, using a credit/debit card or an e-check.

***Your Bank's Online Payment Services*.** Members can utilize their personal banks to pay their quarterly dues.

NOW, WHICH METHOD DO YOU USE?

Starting October 23rd, here are these changes mentioned above will impact you.

***Coupon Payment Booklet*. NO CHANGE**. No Fee. Those who mail their payments will still be able to do so in the future. This is a reminder that new payment booklets are mailed in December.

Automatic Debit Service. **CANCELED** - All those who were signed up for auto draft will need to choose, before January 1st, 2027, a new method to pay their Association quarterly dues.

***Online Payment*. NEW WEBSITE**. Those who wish to make payments using a credit/debit card or an e-check, will be required to utilize Centennial Bank's new payment provider website. This service had a fee before and will continue to have a fee after October 23rd.

***Your Bank's Online Payment Services*. UPDATED INFORMATION**. Because Centennial Bank is upgrading its system, there is a new mailing address for sending payments, and all homeowners were assigned new account numbers.

- The new mailing address is PO BOX 20365, Tampa, FL 33622-0365
- Your new account number appears on the letter Centennial Bank sent you (If you didn't receive it, contact the Association, not the bank).

Therefore, you will need to update... well... the mailing address and account number in the settings for mailing the payments.

On the next page you will find the above in a simple table form.

Continued on page 6

Due to a system upgrade by Centennial Bank, our payment processing is changing effective **October 23, 2026.**

We know the letter was *a bit confusing—sorry about that!*

1 Current Payment Options (Before October 23, 2026)

Payment Method	Description
Coupon Payment Booklet	Payment booklet mailed with 4 stubs and envelopes.
Automatic Debit Service	Authorize auto-debit from your account.
Online Payment	Centennial Bank website with fee; pay by card or e-check.
Your Bank's Online Payment Services	Use your personal bank's online bill-pay service.

2 Changes Starting October 23, 2026

Payment Method	Status / Change	Details / What You Need to Do
Coupon Payment Booklet	NO CHANGE (No Fee)	Continue mailing payments. New booklets will be mailed in December.
Automatic Debit Service	CANCELED	Service will end. Choose a new payment method before January 1, 2027.
Online Payment	NEW WEBSITE (Fee continues)	Use the new payment provider website. Fee will still apply.
Your Bank's Online Payment Services	UPDATED INFORMATION	Update your bank's online bill-pay with the new mailing address and account number.

3 Important New Details

New Mailing Address: PO BOX 20365, Tampa, FL 33622 -0365

New Account Number: Appears on the Centennial Bank letter (contact Association if missing).

Update your bank's online payment settings with the new mailing address and account number.

Continued on page 7

2027 PROPOSED BUDGET – During its last meeting on October 1st, the Budget Committee concluded its two-month work of composing the proposed budget for 2027. Thereafter, the Committee voted to present it to the Board of Directors for its consideration and potential approval. This year, the Budget Committee is proposing a minor increase of LESS than 1% per quarter, which is about $6-$9, for all neighborhoods. Another recommendation by the Committee was to hold a Budget Workshop meeting in the Clubhouse and online to provide members with a deeper insight into the budget-building process and, more importantly, offer members an opportunity to voice their opinions before the Board approves the 2027 budget at its November meeting. This meeting was held on October 21st at the Grand Salon and on Zoom.

Copies of the 2027 Proposed Budget are posted on the Association portal.

As always, this would be a great opportunity to thank the members of the Budget Committee, Mr. Steve Bauer, Mrs. Nancy Blair, Mr. David Cowett, Mrs. Alice Dorn, Mr. Dick Dorn, Mr. Bill Feeley, Mrs. Ed Grood, Ms. Mitch Matte, Mrs. John Sullivan, Mrs. Suzi Weinstein, and Mr. Lanny Weintraub, as well as to the the Association President, Mr. Rod Hayden, and the Treasurer, Mr. Jerry Brantley, for their dedication and hard work in preparing the 2027 proposed budget. These dedicated members volunteered endless hours composing a proposed budget that addresses all the needs of the community. Please take a moment next time you see one or more of them to thank them for all their hard work.

ANNUAL FIRE INSPECTIONS & TESTING – Last month, Piper Fire Protection, LakeRidge Falls' Fire System Service Company, performed the annual sprinkler, alarm, and fire backflow inspections and testing. It should go without saying, but the main goal of these inspections and testing is to detect, correct, and ensure the effectiveness of the Association's fire protection systems. Besides a recommendation to replace a couple of backup batteries soon that are said to be reaching their life expectancy, Piper Fire Protection advised the entire system is in good working condition.

With the above in mind, this is a great opportunity, like each year, to take a moment to speak about the importance of fire extinguishers. Being the most commonly used tool for fire protection in many households, fire extinguishers are extremely important as they are the first line of defense against fires. While you are not required to know how to operate one, it was noted in the past that it would be wise to encourage all residents to familiarize themselves with the use of a fire extinguisher. First, please note that there are several fire extinguishers throughout the Clubhouse, Annex, and Gatehouse buildings. But in this case, please be aware of the five most accessible extinguishers:

- Clubhouse Hallway 1 – near the fitness center
- Clubhouse Hallway 2 – near the activity room
- Kitchen
- Grand Salon – near the north double exit doors
- Club Room – near the double exit doors

Keeping the following in mind, here are the guidelines for using a fire extinguisher based on the Occupational

Safety and Health Administration (OSHA) as it appears on its website:

"Most fire extinguishers operate using the following P.A.S.S. technique:

Continued on page 8

PULL... Pull the pin. This will also break the tamper seal.

AIM... Aim low, pointing the extinguisher nozzle(or its horn or hose) at the base of the fire. NOTE: Do not touch the plastic discharge horn on CO2 extinguishers; it gets very cold and may damage skin.

SQUEEZE... Squeeze the handle to release the extinguishing agent.

SWEEP... Sweep from side to side at the base of the fire until it appears to be out. Watch the area. If the fire re-ignites, repeat steps 2 - 4.

If you have the slightest doubt about your ability to fight a fire - EVACUATE IMMEDIATELY!"

FIRE SAFETY - On a related matter, this will be a good time to bring to residents' attention a couple of important matters related to fire safety. These matters, as a side note, were brought to our attention by a Southern Manatee Fire Rescue District Inspector and related specifically to the multi-dwelling units, four and six-plex buildings, located in the Sandstone Neighborhood, i.e., Cascade Falls Drive, Reynolds Falls Court, Ashford Falls Court, and Simpson Falls Court.

"Per National Fire Protection Association (NFPA) requirements, the multi-unit residential buildings in LakeRidge Falls are required to follow Florida State adopted NFPA codes shown below...:

Florida Fire Prevention Code (8th Edition, 2023 – based on NFPA 1 & 101, 2021 editions)

This code requires buildings with multiple units, (more than 3) to have fire extinguishers that are annually inspected and tagged. The extinguishers need to be installed on the exterior of the buildings so that they are no more than 75 feet of travel for any one unit, or each unit shall have one extinguisher inside. Because the buildings in this neighborhood are owned, and therefore maintained, by their homeowners, members of the Sandstone Neighborhood must ensure they have an operational fire extinguisher.

Storage and Use of Gas Fired Grills, Hibachis, Charcoal or Wood Fired Grills

Southern Manatee Fire Rescue District's Fire Prevention Ordinance 2020-01, Section 11, states that:

11.1 No person shall place or maintain gas or propane cylinders on porches, breezeways or balconies or attached garages in multi-unit, multi-story buildings.

11.2 No person shall store or use any charcoal, gas or wood fired heaters, grills, barbecues, or smokers on porches, balconies, or breezeway of any multi-unit, multi-story buildings.

11.3 No person shall store or use any other heat producing device or appliance which is determined by the AHJ to be unsafe due to its application or use.

In simple and nonlegal terms, residents of the Sandstone Neighborhood can't store propane tanks in the building, garage, and/or lanai; hence, no propane gas grills are allowed, nor are other barbecue devices that are not at least 10 feet away from the building.

Continued on page 9

Smoke Alarms

Please also advise the residents required to check their smoke alarms to ensure they are in working condition. We ask all Sandstone Neighborhood residents to take a moment and ensure the above is followed. Remember, an action by one resident may have the potential to impact adjoining units in the building. Unfortunately, it is more likely than not that these safety guidelines were written by professionals based on past experiences. For your own and your fellow neighbors' safety, please make sure to follow these important directives.

Thank you in advance for your attention and cooperation on this very important matter.

INSURANCE REQUIREMENTS – During its last meeting, the Board of Directors discussed the important responsibilities all homeowners share as members of the Association. More specifically, the Board of Directors discussed Article 6.2 of our Declaration of Covenants, Conditions, and Restrictions, which sets clear expectations for the insurance requirement each homeowner must carry on their homes and Lots. Following this important discussion, the Board of Directors passed a motion asking to remind all homeowners of their obligation under Article 6.

What is this obligation?
Under this article, every homeowner in the community must maintain property insurance that provides fire and extended coverage at full replacement cost on all insurable improvements located on their Lot.

In addition, each owner must carry insurance that covers consequential damages to any other Lot or the Common Area when those damages result from something that starts on their own Lot, whether caused by negligence, a failure to maintain the property, or any other casualty.

Finally, each homeowner must ensure to name the LakeRidge Falls Community Association Inc. as an additional insured. This is a specific requirement in the governing documents and helps protect both individual homeowners and the community as a whole.

A question then arises: what happens if a homeowner does not carry the insurance required under Article 6.2?
First, the Board of Directors wanted to ensure that all homeowners are aware that, in this case, the Association may step in and obtain the coverage on that homeowner's behalf and charge the full cost of that insurance policy to the homeowner.

Secondly, the Board of Directors also wanted to ensure that homeowners understand that in the event of a loss, a homeowner without the required coverage remains responsible for any deductible and any shortfall in insurance proceeds. The Association may then, as the point above, step in by arranging the necessary repairs and assess those costs directly to the homeowner of said Lot.

Finally, the governing documents state that homeowners are required to provide a certificate of insurance within 10 days of any written request from the Board and to notify the Board promptly in writing if a required policy is canceled.

Therefore, your Board of Directors urges you to take a few minutes to review your current homeowner’s policy and confirm that it meets the coverage requirements under Article 6.2 and that the Association is properly listed as an additional insured. Of course, it will be best if you consult with your insurance agent or provider, as they are the professional who can best assist you on such an important matter.

Thank you for taking the time to look into this important matter. As always, we appreciate your cooperation and understanding in keeping LakeRidge Falls a well-protected place to live in.

Four Florida FOODIES Restaurant Ratings

Ratings by Fern & Bob Rouleau and Linda & Gunner Lorenz. These are our opinions for the particular day and time we went, which may change with different chefs and/or servers on a different day. In fact we HAVE found that the food has varied and would get different grades on different days, even ones we loved.

Raffurtys Grill and Bar - C
1888 Main St, Sarasota

- Very small bar inside
- Crowded noisy tables inside but there are also outside tables
- Good service
- Awful very loud rap music
- Food not very good
- Flatbread was ok
- They have bingo at 8 on Wednesdays

Maestrale Restaurant and Pizzeria - A
7515 S Tamiami Trail, Sarasota

- Pretty place w nice ambiance
- Good service
- Reasonably priced
- Family owned
- Linguine Pescatora, Lasagna Emiliana, Veal Marsala were
- excellent.
- Food presentation beautiful.
- Sun-dried tomato and olive oil dip served with bread
- Authentic Italian cuisine

Ruth Chris Steak House - A
6490 University Parkway

- Excellent service
- Different dining spaces
- Valet parking
- Food excellent
- Very pricey

Amore Restaurant- A
180 N Lime Ave

- Service very good
- Nice atmosphere
- Live music
- Food delicious
- Both Portuguese and Spanish dishes

Perkins Restaurant B-
6023 14th St W, Bradenton

- Diner style
- Good service
- Breakfast all day long- large selection
- Other meals- smaller selection
- Greasy burgers
- Good fries and onion rings
- Good breakfast food

Strangers in Time
by **David Baldacci**

During one of the fiercest conflicts the world has ever known, three strangers' lives collide as they confront the raining bombs of their present and the explosive secrets of their past. Through the book, meet orphan Charlie Matters, a survivor of the Blitz and Molly Wakefield, an "Operation Pied Piper" evacuee. Now adults, their paths converge when they journey back to wartime London hoping to begin new lives and find solace at 'The Book Keep'. There they find an unexpected ally and protector in the bookshop's owner, widower Ignatius Oliver. But the trio's newfound peace is jeopardized as past secrets of Charlie's illicit activities have not gone unnoticed, an ominous shadow has trailed Molly since her return, and Ignatius is burdened by a secret that contributed to his wife's death. Can they help one another survive this turbulent time? Or will they be ripped apart from the last people they hold dear?

Please join us as Pam Smith, our discussion leader, helps us delve into the world of post-war London. Feel free to bring a friend, a beverage of your choice and a light snack to share on:

NOTE DATE CHANGE DUE TO THANKSGIVING HOLIDAY

When: Tuesday, December 8th **Time**: 7:00 PM **Where**: Grand Salon

LRF BOOK CLUB

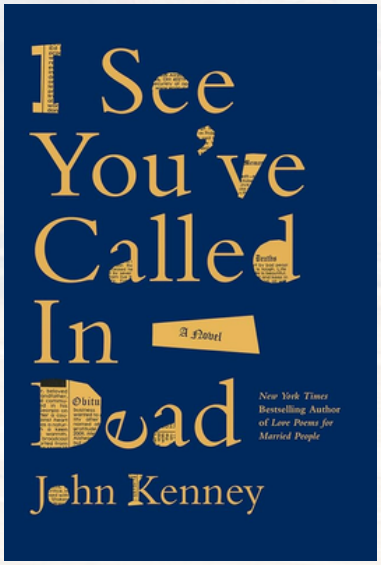

The LRF Tuesday morning book club will meet on Tuesday, Nov 17th at 11:15 AM. This month's book is I See You Called in Dead by John Kennedy

We typically meet the third Tuesday of the month.We welcome new members. Come try us out. We have lively and inspiring discussions.

In December, we pick new books. In January, the book is Automatic I See You Called in Dead by Annalee Newirtz.
